Two Club members should sponsor the proposal for membership. Sponsors must have been members for at least one year and hold a current membership, also to have known the applicant for at least six months. If these requirements cannot be met, the General Committee will be prepared to consider the application upon its merit, providing the circumstances are fully explained, in writing, and attached to this proposal. Applicants will first be invited to meet the membership panel and then the proposal will be submitted to the General Committee for consideration. If the proposal is accepted there follows a probationary period of one year after which the General Committee will consider your application again to see if you are suitable to become a Full member.
